

Ceremonies at Whittington Castle

Intimate ceremonies in an enchanting, romantic location

Whittington Castle, a fairy tale setting

We specialise in intimate occasions. The Castle grounds are also available for outdoor weddings, receptions and photographs.

We have a friendly and experienced team to help you plan your special day. They will ensure that everything runs smoothly.

Once the home of Marcher Lords, 12th century Whittington Castle is an idyllic venue set in 12 lovely acres, including a photogenic moat.

The strikingly picturesque and romantic Castle, steeped in history and with tales of romance and legend, is nestled in the Shropshire countryside close to the Welsh border.

There is ample parking, excellent hotels nearby as well as Gobowen mainline railway station.
